## Noticeboard, cont ...

*From Dennis Roberts:*

Congratulations to my grandchildren Joleigh and Kian on their achievement playing cricket for Cornwall. Joleigh captains the Under 13 girls' team which has won their first three fixtures. Kian captains the Under 10 boys' team and is looking forward to the "Festival" at Kings School, Taunton. Very well done from Grandad and Mary.

*[The June Gazette contained the announcement that Tommy Phillips had been selected for The England Counties Under 20s Rugby tour to Russia. We only found out later that he had been appointed Vice Captain of the side. Well done Tommy and thanks for providing a report on the trip. Ed]*

I was lucky enough to get the opportunity to travel to Moscow with England Counties U20s, as the Vice Captain, in June.

Firstly, the team had two days in London where we met each other and carried out some training and team building.

We played two games in Moscow against Russia U20s. We won the first game and lost the second. The standard was high and very physical.

I found Moscow to be an amazing and very interesting city and thoroughly enjoyed myself. The vodka went down a treat too!

## CHILDREN'S HOSPICE "LITTLE HARBOUR"

### Coffee Morning

20<sup>th</sup> August

10 am to 12 noon

RUAN MINOR VILLAGE HALL

2016 is a very important year for our work as we mark our SILVER ANNIVERSARY of caring for life limited children and their families throughout the Region.

As we reflect on those 25 years, we also look forward to the future and the families that we will help to come to terms with the most unimaginable of circumstances. We will walk hand in hand with them on their fragile and difficult journey giving vital care because of you.

One of our Dads who use our service recently said:-

*"Spending time at the hospice gives us the time to be a parent. Our daily life is consumed with suctioning, medications, catheterising, repositioning, worrying that our child will not come out of the next big seizure. The time we spend at the hospice enables us to be a family and a Mummy and Daddy to all three of our children. We are able to have fun as a family all in the comforting knowledge that our child is receiving the best possible care".*

We couldn't help so many go through so much without the generosity and support of special people like you. Thank you for helping us to make the most of short and precious lives.

Liz Outten.

## What's ON - continued

### CADGWITH REGATTA 2016

SUNDAY 28<sup>TH</sup> AUGUST

(MONDAY 29<sup>th</sup> AUGUST in the event of bad weather on Sunday)

Hello All,

We have set the dates for Regatta as above, with a contingency date for bad weather on the Bank Holiday Monday.

Any help on the day will be greatly appreciated, be it beach marshalling or helping to run the refreshments etc. Please contact us if you can give us a hour of your time. We are also looking for donations of cakes and raffle prizes.

If you have any cups I will be contacting you individually but am happy to receive them from now on at Rooks Nook and would appreciate them all in at least a week before the event, polished and ready for presentation.

Under 16's must wear a life jacket for their rowing/motor events and we ask that everyone is vigilant on the beach during the event. If you are creating a raft (and we hope you are!) please make sure that there is no construction on the top of it that could trap a person in the event of a capsized.

Mostly though, we hope you have a lot of fun and that the weather is kind to us this year!

See you there!

## Dog Poo Bins and Kennack Beach Cleaning

Update from Sue Cadman

**Dog Poo Bins.** As there were no objections, we have put the 'spare' dog poo bin together with one of the bag dispensers on the new BT pole at the tennis court end of the Rec. I hope that this will make a difference and encourage people to clean up after their dogs, as there can be no excuse with the bags available too.

**Kennack.** It is almost 2 months since the rubbish bins were removed completely from Kennack. Facing the summer, we always knew it would be challenging for everyone involved. People that have picked up their own rubbish have then put it in the dog bins, which has meant there has been a pile of poo bags under the bins, as there has been no room to put them in.

Campers have been probably the worse problem for me clearing the beaches and towans, in that there has been a lot of rubbish left and a lot of broken bottles. The cafes, particularly Tom's have had to deal with rubbish going into their bins. One thing that appals me is the number of nappies - usually not bagged, that have been dumped in the car park and around the Towans.

It really beggars belief that people can do that. The whole situation is a steep learning curve for everybody and we are looking at other ideas for a long term solution, which we want to include recycling as much as possible. It will take time that's for sure, but we want a solution that is for keeps as opposed to a quick fix.

*"Sharkey" Stephens*  
*On the occasion of his 90<sup>th</sup> birthday*

Photo by Marea Downey

Sharkey, Great Grandson of the famous Huer Jan Fred, was born Llewellyn Stephens, in Long Loft, Cadgwith on the 10<sup>th</sup> of July 1926 to Ernest "Lammie" Stephens and Edith Anne née Hocking of Ponsongath and immediately showed the force of character that would earn him legendary status in the Cove. Lying in his cot, the baby put his fists up to his uncle, Lammie's brother Fred, who promptly named him for the era's star boxer Tom Sharkey. He swiftly built a reputation on the football and cricket fields, and was a distinguished swimmer in the cove regattas. Despite a fall from an eighty-foot tree that broke his pelvis and would have killed a less resilient teenager, he recovered to build a formidable reputation as a boxer and cricketer and, went on to play football for the Army. Back home in the cove he went fishing with his father on the Cornish Crabber "Winifred" and became the most celebrated fisherman of his generation.

# *Rector's Ramblings*

**O**rest in the Lord; wait patiently for Him, and He shall give thee thy heart's desires...'. Choral society singers and lovers of choral music will recognise that line as being the opening line of a most beautiful aria from Mendelssohn's oratorio, 'Elijah', words which come from the Bible – 1 Kings (notably Chapter 19), and Psalm 37.

Elijah's pretty fed up by now: he's worked his socks off to bring the wayward people of Israel back to God, but they have '*hardened their hearts*'. So poor Elijah feels that he has '*laboured in vain*' and that all he has done has been for nothing.

Just before the aria, the Angel urges the prophet Elijah to get up and get ready for a long journey – a journey which will almost immediately take Elijah into the wilderness, the Great Unknown.

At this time of year there will be many who are facing 'the Great Unknown': students who have done their 'A' Levels and who now wait for their exam results – have they done enough to achieve the grades needed to get them into university? Similarly, GCSE students face the unknown as they wait for their results which will determine whether they begin an apprenticeship, find paid employment, or stay on at school/college. They, too, have all worked their socks off; they've done their best. Then we mustn't forget the little ones who will be starting out on their education journey in September.

There will be many others who are waiting (patiently or otherwise) for their future to unfold – perhaps because of health issues; perhaps because of uncertainties about their job; perhaps because of a breakdown in family/marriage relationships.

Even the nation is facing something of the Great Unknown, post Brexit; we have a new prime minister; and, at the time of writing, the opposition party is about to undergo a leadership challenge; what the future holds for the UK economically is also very much a great unknown.

In Mendelssohn's 'Elijah', the Angel urges the prophet to trust in God: '*Commit thy way unto Him, and trust in Him*' (Psalm 37). That self-same Angel speaks to us today, urging us to commit our lives, our way, to God and put our trust in Him, through all the ups and downs of life, drawing comfort from the knowledge of His loving care for us.

We may not always get what we thought our 'heart's desire' was – wealth, status, success, or whatever; we come to realise that these things are perhaps not so important after all. Instead, we discover that our hearts are restless for their eternal rest in God.

Blessings

Revd Deirdre

## School Spot

Grade-Ruan School

Mullion School

**Grade Ruan Under 5s:** For the latest news please go on line and check Facebook "Grade Ruan Under 5s"

**Grade-Ruan School's** Reception children in Starfish Class have graduated! To celebrate the end of their first year at Grade-Ruan School, the children took part in a church assembly. Organised by the Y1-2s, Mr Harman presented the children with their Learning Journals. They were all very excited and are ready to return to school in September as Year 1s!

Thank you very much to Mike Hardy for donating lots of plants and coming in to help Starfish Class plant them in our outdoor area - they look fantastic and we are very excited to watch them grow!

Another huge thank to André Ellis for coming into school again and visiting Starfish Class. He worked with the children to create some fabulous drawings!

We were lucky enough to be treated to an assembly full of music from our brilliant musicians across the school. Mark Burgoyne, our guitar and piano teacher, organised the assembly to show off the excellent work that the children have done over the year. We heard music from children who have been learning the flute, violin, drums, guitar and piano. They played a range of different pieces, some were solos, duets as well as group performances. The talent was amazing! Thank you to all of our music teachers, Mark for organising the event and the parents who came to watch.

The Y4-6 children joined with children from the other four partnership schools to work with Dance Republic2 and create a piece that was performed on Kynance Beach recently as part of the Shoreline Dance Project. 'Amazing - I was totally blown away' ... 'Those children, performing with the adult dancers, were just awesome' ... 'The walk down to Kynance Cove, although long, was just so worth it to see my two children dancing' ... were just a few of the many, many comments we received from parents and members. The setting was spectacular and complimented the children's excellent performance.

The idea the children were asked to explore was linked to going on a journey, meeting people, losing people and crossing boundaries - with the image of Syrian refugee children very much in our minds. For several weeks in the build up to the performance at Kynance, the children had been creating and rehearsing their

routines at their schools, and these were all brought together during the afternoon on the beach itself. The children were supported in these school rehearsals by Sarah Waller of Dance Republic2. During their last school based rehearsal session the children were joined by Simon Birch's team of professional dancers, who really had a dramatic impact on the children and on how the dance finally evolved.

Thank you to our amazing children for their effort and commitment - Sarah Waller was extremely impressed. Thank you to Dance Republic2, the National Trust and the parents and staff for all their support in enabling our children to be part of this incredible experience.

A fantastic WELL DONE to all of our Year 6 pupils who will have recently received their end of year SATS scores. We are so very proud of you all for performing to such a high standard across all five of our schools. We have been so impressed that despite all of the problems surrounding the new testing arrangements, the much harder nature of the actual tests themselves and the constant changes in the run up to the tests themselves, you all performed to such a high standard. This is a real credit to yourselves, your parents and your very dedicated teachers and support staff. Enjoy your last few weeks with us, safe in the knowledge you have been very well-prepared for the next stage of your education.

Yet again our children astonished us with their dedication, enthusiasm and talent in this year's summer play, *A Cornish Tale*. The magical setting at Poltesco was again the venue for this reworking of Tristan and Iseult - comedy, drama and tragedy skilfully woven into a superb evening's entertainment, with every single cast member giving it their all. Thank you to the National Trust for allowing us to use their wonderful space, to the parents and staff for all their help and support but most of all to the children for their determination to give the best performance they could, for all three performances! Have a wonderful summer and see you in September!

**Mullion School** finished the year on a high with the marvellous performances over three nights of *Oliver!*. As always, a good number of former Grade-Ruan pupils were in the cast, including Nancy as Oliver and Tillie as Bet with Abbie, Esmé, Eve, Milly, Tilda, Tom, Grace E-S and Willow. The amazing set complimented the outstanding performances - well done everyone! GCSE results are available to collect in the School Hall between 9.30-11.30am on Thursday 25 August - good luck to all the Year 11s. Finally, many congratulations to Tillie for being elected Deputy Head Girl for 2016-17. Happy holidays!

## Recreation Ground News

Summer's here at last, we have a football team again - and the pavilion is getting closer to being finished!

By the time you read this, the interior plastering will be finished and painted, ceilings lined (including the changing rooms) and "second fix" electrics and plumbing well under way! We are still waiting for the floor slab moisture measurements to be low enough to allow the flooring to be laid - however, as soon as Calor deliver some gas (may have already done so!), Sam will fire up the boiler and that will speed the process! We have a phone line, and a new telegraph pole next to the tennis court, but are still waiting for our uprated electrical supply (again, this may have happened by the time you read this!). We have all the stainless steel framework of the bar assembled, and Ian Cox (Rozen Furniture) will shortly be making the outer surfaces and frame for it, ready for installation.

So, it really is getting close now!

Now the building is almost finished, we have turned our thoughts to the field outside. We have engaged a specialist contractor to sort it out. First step is clearing back the "bonfire" site, so that the strip alongside the pitch can be prepared and seeded, then we will re-grade the ground in front of the pavilion to give a smooth slope to the pitch (it's never going to be flat!) and the area treated to new topsoil and turf. The turf should be laid in the middle of August, and should be robust enough for football after about six weeks (the Club's first "home" match isn't until mid-October - so just in time!).

Looking further ahead, there need to be a few changes to the way we manage the pavilion and grounds. We have not finalised the details yet, but we will be looking to employ two members of staff. Both

posts will be part-time, so probably best suited to someone who is already self-employed:

- Book keeper - to keep records of the day-to-day income and expenditure of the Charity and report to the committee. Income will be largely from the bar, when we start using it, and some from hire charges, etc. Expenditure will be mostly stocks for the bar and some wages. Initially, this will probably entail only about 2 hours a week, but will increase once we decide how often the bar will be open.
- Cleaner/caretaker - To clean, on a regular basis, all the public areas, including bar, kitchen and toilets. Also to clean the changing rooms when they have been used (the football club, or any other users, will be responsible for ensuring the changing rooms are always left in a reasonable state!). Again, it's hard to predict exactly the hours needed, but it will probably be 2 hours a day for a quick clean and 4-6 hours once a week for a more thorough clean.

If you, or someone you know, might be interested in either of these positions, please contact a member of the committee so we can arrange to show you round and have an informal chat about it.

Summer BBQs start soon in the Cove - ours are the 3<sup>rd</sup> August and the 24<sup>th</sup> August. Then, our next big event will be the firework display on 5<sup>th</sup> November. Also watch out for notices advertising our "Grand Opening", when we have decided on a date!

Many thanks for your continuing support!

# QUIZ NIGHT NEWS

Passers-by might have detected a bit of a racquet but JUNE'S 'QUIZ NIGHT AT THE VILLAGE HALL' certainly provided some Grand Slam entertainment as eight teams produced a feast of quizzing action fit for Queens!

NEW BLOOD set the early pace but BOB'S BAND and JUST US 7 MINUS THE DOG kept in close contention, netting singles and doubles points at every opportunity. As the final two rounds arrived THE BUCCANEERS rallied to smash their way back into the contest but their effort was not quite good enough to see them make their way to the royal box to collect a winner's trophy.

As the final set was played out, it was NEW BLOOD who took advantage of being back to full strength (a factor they certainly found very ANDY) and they proudly claimed the Champions' Crown and earned their place as No. 1 Seeds for next month's challenge. THE MIXED BUNCH and THE MOTLEY CREW shared temporary ownership of THE WOODEN SPOON but, as they say on the circuit 'Tomorrow is another day'!

Paul and Carolyn Ferrari served more than a few aces in their

Wimbledon Guest Round and received a big thank you for their sterling efforts. It's Kevin's turn to test our brainpower in July's contest so I suggest you restraining your racquets and acquire some new balls for what I am sure will be a challenging examination.

At the end of eight hard fought sets just 15 points separated top from bottom and, but for a number of unforced errors and double faults, the net result could have been much closer still. Final scores were as follows:

<u>Position</u>	<u>Team</u>	<u>Score</u>
1 <sup>st</sup>	New Blood	113.0
2 <sup>nd</sup>	Just Us 7 - The Dog	108.5
3 <sup>rd</sup>	The Buccaneers	107.5
4 <sup>th</sup>	Bob's Band	105.5
5 <sup>th</sup>	Cob Nuts	102.0
6 <sup>th</sup>	Cliffhangers	98.5
7 <sup>th</sup> =	The Mixed Bunch	98.0
7 <sup>th</sup> =	The Motley Crew	98.0

Thanks again everyone for another super evening of quizzzy fun and games. Take care and see you all next time.

Quizmaster Dave.

Next Tuesday Quiz Night Dates:  
23<sup>rd</sup> August, 27<sup>th</sup> September, 25<sup>th</sup> October.

# Gardening in August and September

by David Endean

As I write this, I have just returned from my final Sweet Pea show of the year. They have done quite well this year, although I had some trouble with a couple of varieties. Now it is time to get stuck into jobs which have been neglected whilst I have been concentrating on producing those blooms.

Hopefully these will be the best most settled months of the year, but thankfully the most pressing work load of jobs to do has passed by now. One job that I have to do, probably around the end of August, is to sow grass seed to repair a lawn. I attempted this earlier in the year, a bit later than the optimum time, but it was a failure. The seed was duff, it was a year or two old but grew well last year. The areas I plan to grass out are spots where I removed old Escallonia hedges which had sprawled

and collapsed then died and became bramble infested. Thankfully I have done the hard work of ground preparation, i.e. digging the ground over removing all the roots and weeds then adding some general fertiliser. Next job was to work the soil to a fine tilth, level it removing the large stones and firm it down. Sow the grass seed, lightly rake it in, then wait for a shower or two to germinate the seed. I will have to repeat the final stages, but one ray of light is that I will have removed another crop of weeds from this soil. A warm autumn should get this lawn established quickly and it should be fit to get at least one cut before winter.

Down in the veg patch you hopefully will be frantically harvesting many crops. Beans need picking regularly to keep them cropping as do courgettes. Other crops will be reaching their optimum and are best harvested then. Onions tend to reach a point when their tops flop over, and this is the point when they will grow no more. Using a garden fork and gently easing it under the bulbs to break the roots will aid ripening, then after a few days the onions can be lifted and laid out on trays or a wire rack to allow the sun and air around them. This allows the leaves to dry back and the outer skins to firm up, then the onions should keep and you can use them as you require them through the winter.

Still in the veg patch, there are a few things which you can sow at this time but best results will come from early sowings. Quick crops of lettuce, radish, garden turnips, finger carrots and beetroot will all be worthwhile. Even a sowing of dwarf French beans are a goer, and for something for the spring, try cabbage

greens. All these crops can be in ground which has already cropped this year. Just clear the ground of weeds, add some general fertiliser and make sure the ground is of a fine tilth. Then make a shallow drill to sow the seed into, but before you sow the seed I advise using a watering can to water just the bottom of this drill. This will hasten the germination of the seed that you are sowing but not encourage weed seedling between the rows.

Late summer / early autumn is the time for hot colours in the garden and the plants which come to mind first are dahlias. If you are growing for exhibition you will remove several of the flower buds to leave a central one for a larger quality bloom. For garden impact most people do not bother with this, but it is worthwhile regularly getting in there and dead heading. Apart from making it look tidier, the

plants will put all their effort into producing more flowers. This job needs doing throughout the garden from annuals to roses. There is no real hardship on a nice sunny summer's day going out in the garden with some secateurs and a bucket to potter.

The final topic for this double issue is formal hedges. They will need a trim, hopefully the final one of the year. If they are trimmed by mid-September, they may put a little growth on but this will have time to ripen before winter arrives and so the effects of wind scorch should not be so bad. All I will say is be safe: if you need to use a ladder, make sure it is firm and level and if you use some sort of electric trimmer be wary of the cable and use an RCD to prevent accidental electrocution.

Hopefully it will be a summer to remember - enjoy your gardening.

## 7. Planning:

### Planning Applications for consideration

- PA16/03615 – Sea Acres Holiday Park Kennack Sands Kuggar TR12 7L - Stationing of 7 Static Caravans and associated works. It was noted that the previous application for 10 caravans had been refused by Cornwall Council and turned down by the Secretary of State on appeal. Although additional screening has been proposed, the Parish Council's view on the siting of additional caravans close to the coast path remains unaltered. It was proposed and seconded that the Parish Council does not support this application on the basis that the original objections still apply including the fact that the site is in an AONB, the proposed planting is inadequate and trees are unlikely to survive in such an exposed location and the photographs supplied fail to show an accurate picture of the effect on the skyline. Carried 8 votes in favour.
- PA16/04069- Skyber, Trear, Ruan Minor TR12 7LS. Erection of new porch to south west corner of the house. It was noted that this proposal would have limited visual impact. It was proposed and seconded that the Parish Council
